

SPILCARE SFCD

INDUSTRIAL SHOP FLOOR CLEANER/DEGREASER

Spilcare SFCD is a well formulated heavy duty Industrial floor cleaner that could be used manually using mop or in conjunction with floor cleaning machines. Spilcare SFCD is slightly alkaline pH degreaser / cleaner for use in manual, and machine cleaning. Safe for use on different type of floors.

Cleaning Method

Spilcare SFCD AQUEOUS / ALKALINE DEGREASER is supplied as a liquid concentrate. The product can be diluted down with 20 ml per litre of water for light oils and 40 ml per litre of water for heavy soil. Use a mop to dip in the bucket. Since this is a highly concentrated floor cleaner, mop in it and wipe the floor for a clean finish.

Soils Removed

- Shop / Machine floor oils.
- Automotive Oils(Cutting, Lubricating, Coolant, Lapping).
- Crater & Lithium Grease, Dirt, Dust.
